Hosted by Madison Arts Council BLINK Grant and @the.circular
 @the.circular is a mobile public art space on a bike trailer in Madison. @the.circular exists on Instagram and throughout Madison on weekend afternoons. This summer, @the.circular will host three exhibitions in June, July, and August. We'll be joining the Trek Pride Ride for this weekend's showing!

3:00pm – 4:30pm R **Prologue Event: Trek Pride Ride** Breese Stevens Field (917 E Mifflin St, Madison, WI 53703)
Hosted by Forward Madison FC and Trek Bikes
 Join us at the Trek x Forward Madison FC Pride Ride for an afternoon full of family-friendly, Pride-filled fun!

This 5-mile, casual ride will start at Breese Stevens Field. We'll head over to the bike path on John Nolen Dr. and cross the bridge to Olin Park, where you can grab a sweet treat from The Chocolate Shoppe before heading back to Breese Stevens Field for happy hour! MPD will be present to help facilitate a safe ride.

Free and secure valet bike parking will be available for everyone who wants to stay for the match against FC Tucson, so be sure and buy a ticket.

Not sure what to wear? Stop by Trek Bicycle Madison East or West soon to snag a limited-edition Pride cycling jersey (road or MTB). All proceeds go to the Trevor Project, a national, 24-hour, toll free confidential suicide prevention service for LGBTQIA+ youth.

Let's celebrate our LGBTQIA+ community! Register here: <https://www.forwardmadisonfc.com/bike-to-breese-june-4th/>

R Eastside GRiT (Girls Ride Together) Try It Out Clinic

Hosted by Madison East High School, Sun Prairie High School and Deforest High School NICA teams Sheehan Park West Shelter, Sun Prairie (1357 Linnerud Dr, Sun Prairie, WI 53590)

GRiT Try It Out Mountain Bike Session for girls entering 6th-12th grade
June 7th: 5:30-7:30 pm
Sheehan Park West Shelter, Sun Prairie

What is GRiT?

The Girls Riding Together (GRiT) initiative is an effort by the National Interscholastic Cycling Association (NICA) to recruit and retain more girls and woman coaches in NICA programs. The goal of the NICA GRiT initiative is to increase the overall participation rate to 33% female riders (coaches and student-athletes each) by 2023.

The Madison East/Sun Prairie East/Sun Prairie West/Deforest/Sun Prairie Composite Mountain Bike Teams are sponsoring a free clinic for girls and women to try out mountain biking and ride with others at the amazing **Sheehan Park trails in Sun Prairie**. Free demo mountain bikes will be provided by DreamBikes if you do not have a trail-ready mountain bike you can bring with you. The event is open to girls entering 6th through 12th grade and women who want to learn more and who might consider coaching. No experience required! We can train you in riding and coaching skills. You just need to have a passion for supporting girls and getting more girls outside, on bikes!

If you have never tried mountain biking, or if you have your own mountain bike but never ridden it on singletrack before, sign up below for a fun day of games, prizes, girl power, and riding bikes in the woods!

6:00pm – 8:00pm

R MWCC Tuesday Night Rides

Olbrich Park Biergarten Parking Lot (3527 Atwood Ave, Madison, WI 53714)

Hosted by Madison Women's Cycling Club

MWCC does Madison Bike Week!

Join us for our regular Tuesday ride, leaving from Olbrich Park (the Biergarten parking lot / parking lot on the lake side of Atwood) at 6pm. We'll have two rides going out: our social route (lake loop) and our longer route (a 19-mile route to McFarland and back). Then join us for post-ride social time at the Biergarten, where you can bring in any snacks and non-alcoholic beverages, or purchase a beverage there.

MWCC is Madison's longest-running active women+ bike group. This ride is open to all ages and all WTFnB.

The social route is a lake loop and is guaranteed to have a sweep who will ride at whatever pace is needed to ensure no one is left behind. It is very beginner friendly!

The longer route can be found at: <https://ridespot.org/rides/588636>

See more details about our rides in the pinned posts on our main page. Also check us out on Instagram: @madisonwomenscyclingclub

Metro Bike Rack Demos – Practice Loading Your Bike on a Bus

Ever wondered how to load your bicycle onto a Metro bus? Now is your no-pressure chance to try it out! We'll have a bus and friendly driver on hand to help anyone interested in practicing. It's a simple process that opens up so many possibilities for getting around by bike and bus!

About Us

RoundTrip is a program administered by the Greater Madison MPO to support affordable, sustainable transportation options in Dane County, including bicycling, public transit, carpooling, vanpooling, and walking. RoundTrip provides an online ride-matching platform and an Emergency Ride Home program to help sustainable commuters in Dane County get home from work in a pinch. RoundTrip also works with area employers to promote convenient alternatives to driving alone.

Metro Transit is the public transit agency for the Madison area, providing reliable transit service to Madison and neighboring communities. Metro's current Bus Rapid Transit and Transit Network Redesign projects are part of MetroForward>>, Mayor Satya Rhodes-Conway's plan to make a major investment in transit to speed up workforce transportation, reduce congestion, and build the transportation backbone of a vibrant regional economy.

Vision Zero is a City of Madison initiative intended to eliminate traffic deaths and severe injuries on all roadways, bikeways and sidewalks. The City of Madison Vision Zero initiative strives to improve safety for everyone moving about the city, whether walking, biking, driving and riding transit; and to improve the identified high injury locations, all in an effort to prevent fatal crashes and severe injuries.

After a COVID hiatus, we are bringing back a full schedule of our popular Family Bike Camping trips for 2022!!

Our second family-focused bike camping trip is a great introduction to family camping by bike. The ride from The Cargo Bike Shop to Lake Farm County Park is approximately 7 miles and consists almost entirely of bike path. The terrain is flat to slightly rolling and should be manageable for most cyclists, even kiddos if you are patient. If it is safe to ride as a group, we will have a group departure from TCBS that you can join. If it is not safe to ride as a group, or you prefer to ride as your own group, we can provide basic directions if you need them. Trust us that Google Maps will get you there!

The group site at Lake Farm Park has plenty of great spots for your tent allowing us to spread out and each have our own space. Additionally, there is a campfire ring, a hand-pump well for water, and "deluxe" pit toilets. We may bring additional campfire pits depending on group size and health and safety considerations. From the campsite, there is easy access to a large playground as well as to Lake Waubesa. There are showers in the main campsite along with running water.

What's provided: - Group ride to and from the group campsite (if safe to do so). - Grill to cook on, coolers with ice, and a water jug for easy water access - Gear shuttle, including cooler space, in case you have some bulky/heavy necessities or food that must be kept cold that you don't want to lug on your bicycles - Campfire wood and s'mores fixings - Piping hot coffee and a selection of pastries from Batch Bakehouse Sunday morning

There is car access and parking available if you have part of the family that wants to drive to join us, or not stay for overnight.

This is a family bike camping trip first and foremost, but if don't have kids and want to experience bike camping you are welcome to join. Just be cool with kids being around and the schedule accommodating their needs as far as stops along the way and quiet time at the campsite. Basically, kids of all ages are welcome. If you have questions about if you can do it, if your group will fit in, or really anything please contact us and we'll help figure things out.

COVID related fun stuff: We will follow any health guidelines in place at the time of the trip, including the use of masks when in indoor or close-quarters outdoor environments. We ask that at the time of the trip that if you are feeling ill or have been recently infected with COVID and have not had a PCR test come back negative yet, that you do not attend. Contact us to discuss a credit towards a future trip or a refund. If you are not fully vaccinated please do so for the safety of all in our community
